## 1 Tender Overview

### 1.1 About ASYAD PORTS AND FREE ZONES LLC Group SAOC

The Sultanate of Oman has commenced activities to consolidate its various government-owned companies into several holding companies grouped by type of business or industrial activity. Logistics has been identified as one of those key focus industries.

ASYAD PORTS AND FREE ZONES LLC has also been tasked with implementing the National Logistics Strategy (NLS), formerly known as Sultanate of Oman Logistics Strategy (SOLS).

The successful implementation of NLS will enable Logistics to become a major contributor to the Oman economy, facilitating economic diversification, creating significant new employment opportunities and delivering improved performance rankings in key world operating indices.
